## PROFILE

I am a recent graduate of Ironhack's August 2018 cohort in UX/UI Design. Before attending Ironhack I was in medical school on my way to becoming a doctor, but that was too easy, so I joined Ironhack instead.

## UX/UI PROJECTS

- Connecting Chords  
Mobile App design for musicians looking to connect with other music industry influencers
- Don't Fret, Just Sweat  
Mobile App design for stress management with a focus on exercise as a stress-relieving strategy
- ABC Grocery  
Website design for a local grocery store looking to develop an online presence
